

# Family History Interview

Dear Families,

In celebration of the 50<sup>th</sup> Anniversary of the Canadian Flag, our students are creating a Canadian Flag to show the contribution of their family to the cultural mosaic of Canada.

If you could please spend a few minutes helping students to create a brief family history through pictures and/or words, we will then use it in class, to help each student create a unique Canadian family flag.

Try to provide as much information on both sides as you can.

Thank you for your help!

List the provinces, cities or towns in which your family has lived.

Brainstorm and include or draw some pictures (provincial flowers, boats or animals, housing, landscapes, family traditions) which would represent your family.

Can you recall the first time you saw the Canadian Flag raised? Perhaps you can also ask some older members of your family?

How does the flag make you feel?

Are there any other details you would like to share or see displayed on your Canadian Family Flag?

Thanks for sharing your family with us!

Remember to share students finished work at [www.FlagofCanada.ca](http://www.FlagofCanada.ca) details on website
